

Virginia Fair Trial Coalition

Coalition Support Agreement

Mission:

The mission of the Virginia Fair Trial Coalition is to reform Virginia's criminal discovery rules to ensure just and fair trials in the Commonwealth of Virginia.

Goal:

Our goal is to reform the current criminal discovery rules in Virginia by requiring that the accused, in every criminal prosecution, promptly receive all information within the possession of prosecutors, law enforcement agencies and other investigatory agencies involved in case investigation and prosecution.

Organizational Support:

We support the mission of the Virginia Fair Trial Coalition. We grant permission to use our organizational name and logo in brochures, news releases, and other materials promoting campaigns directly related to the mission of the Virginia Fair Trial Coalition.

(In the event that an organizations name or logo is used publicly in any way, NACDL will provide at least 72 hours for review and approval prior to its use.)
